

Call for Presentations
MUGNZ Conference 2008
September 15th and 16th 2008
James Cook Hotel, Wellington, New Zealand

Share Your Knowledge

By telling your GIS story, you're communicating your best practices, successes, and innovative GIS applications with others who face the same day-to-day challenges. We look forward to hearing about your exciting work in the following areas.

- Pitney Bowes MapInfo
- Case Studies
- Local Government
- Web mapping
- Transportation
- Civil Defence
- Retail
- Application Development

Authors will present a 20 to 30 minute live presentation as part of the 2008 MUGNZ Conference. Abstracts and papers will also be published as part of the conference proceedings.

Submissions should include

- Author/Presenter name(s)
- Presentation title with brief abstract
- Company name, address, phone and email
- Short Presenter biography (two or three sentences)

There is a limited number of presentation slots available. We cannot guarantee that all submissions will be accepted.

Questions?

Please feel free to contact [Simon Nitz](#) with questions regarding abstract submissions, or call (06) 834 4151.
